CARTE POSTALE — POSTKARTE

By Appointment.

(FOR ADDRESS ONLY.)

Morro Castle occupies a commanding position at the entrance to the harbor. It was completed about 1584, and was the beginning of the vast wall which encloses the city. It is at the west end, and represents a small military town, with its houses, barracks, chapel, dungeons, signal and life-saving stations. Its light tower has for years held a lantern 170 feet above the sea.
